On click of OK button, user will be at welcome page of Internet Banking.

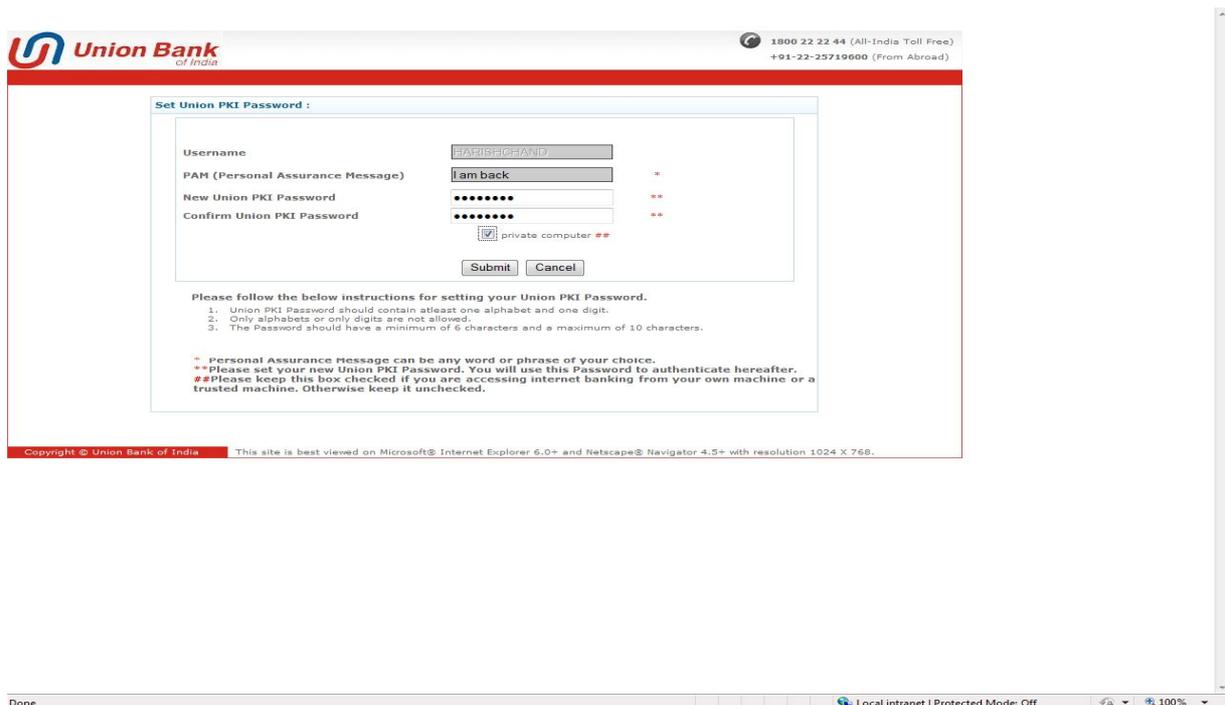

Enrollment Process:

In next login, after login page, user has to enter activation code delivered to registered mobile number via SMS. Click on Continue button.

The screenshot shows the 'Enter Activation Code' screen of the Union Bank of India internet banking portal. The page header includes the Union Bank of India logo and contact information: 1800 22 22 44 (All-India Toll Free) and +91-22-25719600 (From abroad). The main content area features a form with a text input field for the 'Activation Code' and two buttons: 'Continue' and 'Cancel'. A red asterisk is visible to the right of the input field. Below the form, a 'Description' section states: '** Please enter the Activation code provided to you via SMS'. The footer contains copyright information and browser compatibility instructions: 'Copyright © Union Bank of India. This site is best viewed on Microsoft® Internet Explorer 6.0+ and Netscape® Navigator 4.5+ with resolution 1024 X 768.' The browser's address bar shows 'Local intranet | Protected Mode: Off' and the zoom level is set to 100%.

In next screen, user has to set Personal Assurance Message (PAM) and Union PKI Password. PAM can be any word or phrase of customer's choice. It assures the customers that they are visiting genuine web site. Union PKI Password should be combination of alphabets and digits with min. length of 6 characters and maximum length of 10 characters.

The screenshot shows the 'Set Union PKI Password' screen of the Union Bank of India internet banking portal. The page header includes the Union Bank of India logo and contact information: 1800 22 22 44 (All-India Toll Free) and +91-22-25719600 (From abroad). The main content area features a form with the following fields: 'Username' (filled with 'HARISHCHAND'), 'PAM (Personal Assurance Message)' (filled with 'I am back'), 'New Union PKI Password' (masked with dots), and 'Confirm Union PKI Password' (masked with dots). There are red asterisks to the right of the PAM, New Union PKI Password, and Confirm Union PKI Password fields. A checkbox labeled 'private computer' is checked. Below the form are 'Submit' and 'Cancel' buttons. A 'Please follow the below instructions for setting your Union PKI Password.' section lists three instructions: 1. Union PKI Password should contain atleast one alphabet and one digit. 2. Only alphabets or only digits are not allowed. 3. The Password should have a minimum of 6 characters and a maximum of 10 characters. Below the instructions, there are three notes: '* Personal Assurance Message can be any word or phrase of your choice.', '**Please set your new Union PKI Password. You will use this Password to authenticate hereafter.', and '##Please keep this box checked if you are accessing internet banking from your own machine or a trusted machine. Otherwise keep it unchecked.' The footer contains copyright information and browser compatibility instructions: 'Copyright © Union Bank of India.
